Handbook of Research on Innovative Techniques, Trends, and Analysis for Optimized Research Methods

Part of the Advances in Library and Information Science Book Series

Victor C.X. Wang (Grand Canyon University, USA)

Description:
Information acquisition and management has always had a profound impact on societal and organizational progression. This is due to higher education programs continuously expanding, students and academics being engaged in modern research, and the constant evaluating of current processes in education for optimization for the future.

The Handbook of Research on Innovative Techniques, Trends, and Analysis for Optimized Research Methods is a comprehensive reference sources focused on the latest research methods currently facing educational technology and learners. While highlighting the innovative trends and methods, readers will learn valuable ways to conduct research and advance the understanding of ideas based on the results of their research. This publication is an important asset for teachers, researchers, practitioners, and graduate students looking to gain more knowledge on research trends and their applications.

Topics Covered:
- Future Trends in Information Technologies
- Instructional Technology
- Online Teaching and Learning
- Research Methods
- Vocational Guidance

Hardcover: $275.00  E-Book: $275.00
Hardcover + E-Book: $330.00
Dr. Victor C. X. Wang is a Professor and Dissertation Chair/Member who graduated in 2002 from the University of Arkansas, Fayetteville where Malcolm Knowles worked till his death. Thus far, Dr. Wang has published more than 230 refereed books, book chapters, and journal articles. These publications address andragogy and pedagogy, which can be considered as the umbrella under which such areas as andragogical curriculum and program development, management, human performance technology, social justice, global education, diversity and E-learning are addressed. Currently, Dr. Wang is co-editing the International Journal of Adult Vocational Education and Technology with Columbia University Professor, Dr. Lyle Yorks, and a doctoral student of Malcolm Knowles, Dr. John A. Henschke. Dr. Wang has won many academic achievement awards, including the Distinguished Faculty Scholarly & Creative Achievement Award and 2016 American Association for Adult and Continuing Education Presidential Award. He has had extensive experience in chairing and mentoring doctoral dissertations (including dissertations from University of Auckland, New Zealand). Some of his books have been adopted as required textbooks by major universities in the United States. In addition, numerous universities worldwide including some Ivy League Universities have cataloged his books and journal articles. Dr. Wang’ teaching (including teaching via technology) has reached many states in the United States and China. Please visit his website: http://victorcxwangassociates.org/
